

SCHOLARSHIP AWARD WINNERS

May 2021

Congratulations!

You have been chosen by your school or college to receive a Reading List Foundation Scholarship of £250, in the form of a Blackwell's Bookshop e-voucher, in recognition of your achievements in Years 12 and 13. We hope this award will pay for all, or nearly all, of your textbooks in your first year at university (they are though valid for three years) – giving you one less thing to think about as you settle into your studies.

Our Scholarships are funded by individuals or organisations that are keen to help exceptional students succeed at University. The past year or so has been incredibly challenging for everyone, especially students, but we hope this award will make a real difference at the start of the next exciting chapter of your life.

Overleaf are details of how to receive your Scholarship (in the form of a Blackwell's e-voucher that can be used at their bookshops or online) - just email us once you have your **official university email address** (they are normally provided in September).

Please claim before the end of October if possible – it is really helpful to us in our planning if you contact us within a few weeks of starting at university.

And don't forget to include your Scholarship award on your CV – being awarded the Scholarship is a real achievement, and one you can be proud of.

Best wishes, and congratulations!

How to claim the Scholarship award

Once you know where you are studying and have received an email address, please email us the following information **using that official university email address** – we use this to confirm your university, and that the email has come from you personally. Students usually receive these sometime in September.

Use that e-mail address to email us (info@readinglistfoundation.org):

- **Your name**
- the **school or college** that awarded you the Scholarship
- the **subject** you are studying and **which university** you are studying it at
- a personal email address – this is optional, but is helpful to us as an alternative way of contacting you (see below).

Please do not apply before Sept 1st.

Once we have received your details, we will send the award out by email within 2-3 working days. If you haven't received an email within this time, please check your junk folder (it will come from alan@readinglistfoundation.org). If you still haven't received anything, then do drop us a line.

By emailing us these details, you are consenting to us holding them for a period of 4 years (to account for your time at university, including the possibility of students studying a four-year course). All email addresses are kept securely by the Reading List Foundation, and are never shared with any outside parties, with one exception: on a few occasions during your studies we may get in touch to ask you to take part in research to help us gauge the impact the Scholarship has had on your studies (the survey is hosted securely by the survey provider). Participation in the survey is of course voluntary. Our privacy policy is available on our website.

If you have chosen to defer your place, or to not go to university:

If you have since chosen to defer your place, and go to university in a year's time, you are welcome to keep this letter safe, and receive your award in 12 months' time. If this is the case though, **please let us know** within a few weeks (i.e. this year).

If you have chosen not to attend university, **please let us know** – again this is really helpful for our planning. We also wish you all the best in what lies ahead.

If you have any questions:

Please get in touch by email (info@readinglistfoundation.org) or phone (01392 202922) if you have any questions (quoting your old school or college).

And once again, congratulations and good luck!
